### **MARANEA** (*Puffin 42*)

Version 07/2025

## FOR SALE

The Maranea is a Puffin 42 built in 1998 by Mekon Shipyard. This sailing yacht has had a berth in our marina and a place with us in the winter storage since 2019. We have done several jobs during this time such as installing a bow thruster and renewing the Raymarine equipment. At this moment the ship is in our winter storage.
