

BROKERAGE

Mara Lunga (*Enksail Noordkaper 43*)

Version 08/2025

FOR SALE

The Mara Lunga is a steel round bilged Enksail Noordkaper 43. This sailing yacht was built by us in 2007 and delivered under the name "Bolder". The sailing yacht has been very well maintained by its current owner. In 2025, part of the navigation equipment was replaced with the newest B&G. At this moment the ship is in our Marina.

| Waste Capacity | 170L (Stainless) |

INTERIOR

The Mara Lunga has a warm and light interior through the combination of white sections and teak carpentry. The photos below were taken when the ship was delivered in 2007.

LAYOUT

The pilothouse has a cosy u-seat on the port side. On starboard side is a navigation seat. The pilothouse offers 360-degree visibility. In bad weather, everyone can sit inside. Also, watchkeeping can be carried out in the pilothouse.

Below deck, on starboard side is the galley and a bench in the saloon. On port side, there is a dinette in the saloon. There are two cabins offering four berths and a separate shower and toilet.
